Twist Bz along Z: comparison of predictions (model long_half_sym) and Measurement
Predicted BZ*113.85A/245A (245A)
Predicted BZ (113.85A)
Predicted BZ (113.85A, & coils displaced by +3cm in Z)
Measured Bz (113.85A)
Predicted BZ/1.0265 (113.85A, & coils displaced by +3cm in Z)
